

WASHINGTON DC RALLY

IT'S TIME FOR CONGRESS TO PASS GUN SAFETY LAWS!

The week of July 28th through August 4, our country saw 4 mass shootings, not counting Chicago which, on the weekend of August 3rd, saw 8 killed and 47 wounded. America continues to ignore the easy access and love affair with guns that has blood flowing on its streets. It is time to put pressure on the Congress to stop ignoring this public health crisis, and vote on common sense gun safety laws.

Therefore, we are calling for a rally at the US Capitol on the West Lawn from 1 pm – 3:30 pm on September 25th, 2019, to demand Congress pass legislation to guarantee our constitutional right to live!
