## *Tithes and Offering*

WORSHIPPING GOD THROUGH GIVING

"Bring your whole tithe into the storehouse, that there may be food in my house.

Test me in this, says the Lord Almighty, and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it."

## CHURCH MEMBERSHIP

If you have not filled out a *membership form* since we returned after the pandemic shutdown in 2020, you need to fill one out. It is important that we keep our PowerChurch database updated for you to receive the benefits of membership (i.e. sacraments, funerals, weddings, etc.)

If you filled out a form, there is nothing for you to do. If you have not filled out a form you need to do so. If you are unsure, you can contact the Church Office.

If you don't receive emails from St. Sabina or an occasional phone blast and/or text, we probably do not have a current telephone number for you, especially if you have disconnected your landline. Please call the Church Office to update your information.

"If you're tired of hurting. If you want to be able to bend over. If you want to be able to reach up more. If you want a better quality of life. Then you need to be a part of the Keep It Movin' program."

We look forward to partnering with you to help improve the health of your church and community.

An exercise program hosted by the Alive Faith Network and RUSH in partnership with churches throughout the Chicagoland area.

**Our Story**

Over ten years ago, the Alive Faith Network was created by researchers at RUSH in partnership with pastors and community members throughout the Chicagoland area to find the best ways to keep African American communities healthy.

**Be STRONG & COURAGEOUS!**

Do not be afraid, for the LORD your God is with you; he will never leave you nor forsake you"  
*Deuteronomy 31:6*

**Take Back Your Health!**

You deserve to live the abundant life God promises – both in body and spirit, and the Keep It Movin' program is here to help. Take back your health through regular exercise so you can continue to do the things you enjoy!

**Our Mission**

Keep It Movin' is a year-long church-based walking program and research study designed to decrease chronic illness and improve the overall quality of life within the African American community.

The Keep It Movin' research study is testing two approaches, **GetFit4Life** and **Stronger4Longer**, to empower communities to safely increase their daily physical activity for overall improved health.

**GetFit4Life**

We provide the tools needed to help participants make active lifestyle changes on their own schedules. The program at a glance:

- Self-paced GetFit4Life exercise guide
- Weekly motivational tips
- Step-by-step video demonstrations

**Stronger4Longer**

We provide in-person instruction to help participants make active lifestyle changes within a group setting. The program at a glance:

- Weekly 90-minute education and exercise class
- One-on-one support
