CHURCH MEMBERSHIP

If you have not filled out a *membership form* since we returned after the pandemic shutdown in 2020, you need to fill one out. It is important that we keep our PowerChurch database updated for you to receive the benefits of membership (i.e. sacraments, funerals, weddings, etc.)

If you filled out a form, there is nothing for you to do. If you have not filled out a form you need to do so. If you are unsure, you can contact the Church Office.

If you don't receive emails from St. Sabina or an occasional phone blast and/or text, we probably do not have a current telephone number for you, especially if you have disconnected your landline. Please call the Church Office to update your information.

"If you're tired of hurting. If you want to be able to bend over. If you want to be able to reach up more. If you want a better quality of life. Then you need to be a part of the Keep It Movin' program."

We look forward to partnering with you to help improve the health of your church and community.

An exercise program hosted by the Alive Faith Network and RUSH in partnership with churches throughout the Chicagoland area.

Our Story

Over ten years ago, the Alive Faith Network was created by researchers at RUSH in partnership with pastors and community members throughout the Chicagoland area to find the best ways to keep African American communities healthy.

Be STRONG & COURAGEOUS!

Do not be afraid, for the LORD your God is with you; he will never leave you nor forsake you"
Deuteronomy 31:6

Take Back Your Health!

You deserve to live the abundant life God promises – both in body and spirit, and the Keep It Movin' program is here to help. Take back your health through regular exercise so you can continue to do the things you enjoy!

Our Mission

Keep It Movin' is a year-long church-based walking program and research study designed to decrease chronic illness and improve the overall quality of life within the African American community.

The Keep It Movin' research study is testing two approaches, **GetFit4Life** and **Stronger4Longer**, to empower communities to safely increase their daily physical activity for overall improved health.

GetFit4Life

We provide the tools needed to help participants make active lifestyle changes on their own schedules. The program at a glance:

- Self-paced GetFit4Life exercise guide
- Weekly motivational tips
- Step-by-step video demonstrations

Stronger4Longer

We provide in-person instruction to help participants make active lifestyle changes within a group setting. The program at a glance:

- Weekly 90-minute education and exercise class
- One-on-one support

Working with the community...putting the community to work.

Saturday, April 27, 2024- 8:00am - 1:00pm

The African American Firefighters & Paramedics League, in conjunction with the Chicago Fire Department is presenting "Firefighter 4 A Day" to give African American children the opportunity to see firefighting from a firefighter's point of view. This opportunity will familiarize young potential firefighters with some of the history, practices and procedures of fire departments.

Our goal is to give our community as well as our children a sense of direction and understanding as to what is required (such as education, commitment and pride) in order to be a Chicago Fire Department Firefighter. We realize that we can be very influential in a child's life not only by what we say, but by what we do. As a public relations event, we can maximize this opportunity to instill hope in these children that they too, could be fire fighters if they put forth the effort to do so. Parents and adults aged 18+ will be able to inquire and receive information about the process to become a firefighter.

During "Firefighter 4 A Day", the children will get an understanding of what it is like to be a firefighter. There will be several activities geared toward familiarizing our children with the firefighter culture. This event will be held on Saturday, April 27, 2024 at the Quinn Fire Academy (558 W. Dekoven) from 8:00 a.m -1:00p.m.

Participants will include children aged 8 - 17 years old. A waiver must also be completed prior to any participation of this project.

Our instructors will consist of members of The African American Fire-fighters & Paramedics League and other members of the Chicago Fire Department.

So please come out and participate in the Firefighter 4 a Day program and meet some African American Firefighters that work in your neighborhood and throughout the state.

To register for this event please send your child's name, age, school, grade & t-shirt size to President@AAFPLLeague.org

NOTE: Due to time and facility constraints, we are forced to limit the number of participants to 125.
