Tithes and Offering

WORSHIPPING GOD THROUGH GIVING

"Bring your whole tithe
into the storehouse, that
there may be food in my house.

Test me in this, says the
Lord Almighty, and see if
I will not throw open the
floodgates of heaven and
pour out so much blessing
that you will not have
room enough for it."

CHURCH MEMBERSHIP

If you have not filled out a **membership form** since we returned after the pandemic shutdown in 2020, you need to fill one out. It is important that we keep our PowerChurch database updated for you to receive the benefits of membership (i.e. sacraments, funerals, weddings, etc.)

If you filled out a form, there is nothing for you to do. If you have not filled out a form you need to do so. If you are unsure, you can contact the Church Office.

If you don't receive emails from St. Sabina or an occasional phone blast and/or text, we probably do not have a current telephone number for you, especially if you have disconnected your landline. Please call the Church Office to update your information.

HELP US FEED PEOPLE!!!

The food pantry we took over on October 1st, after Catholic Charities closed, has been a blessing, but also a challenge. In the first 3 months, we have provided food for over 11,000 individuals. While the Chicago Food Depository has been an amazing support and partner, we are in desperate need of more food to keep up with the numbers of people turning to us for food. We are in need of canned good, especially fruits, vegetables, and canned beans.

*If you can help, please either drop items off at the pantry,
1120 West 79th Street, or you can drop them off or send them through
Amazon to the church office,
1210 West 78th Place, Chicago, IL 60620.*

Cook County Health Birthday Health Screening Program for Prostate and Breast Cancer

Call to Schedule: **312-864-4289**

For your birthday, give yourself the gift of health!

Cook County Health is proud to offer **free prostate cancer** and **free breast cancer screens to eligible Cook County residents** during the month of their birthday.

How it works:

Residents are encouraged to call ahead to schedule an appointment for the screening to ensure availability during their birthday month.

- Uninsured patients will receive the screening free of charge.
- Insured residents will have their screenings billed to their insurance plan.

Who is eligible:

All residents of Cook County are eligible for screening, regardless of immigration status

Breast Cancer Screening for Women	Prostate Cancer Screening for Men
<ul style="list-style-type: none">• Age: 40-74• Must not have had a mammogram in the past two years• Includes a healthcare provider consultation, assessment, and necessary follow-up	<ul style="list-style-type: none">• Age: 45-69• Must not have had a prostate screening test within the past two years• Includes a healthcare provider consultation, assessment, and necessary follow-up

Some private insurance plans may require a co-pay or co-insurance to be collected. Having trouble paying your bill? Cook County Health can help. Call 866-223-2817.

Why it is important to be screened:

Cancer screenings are important because they help find cancer early, before it causes serious problems. When cancer is found early, it is easier to treat and the chances of getting better are higher. Screenings can find cancer even if a person doesn't feel sick.

Prioritize your health on your birthday and schedule your appointment today!
