We, the Cabinet of the Faith Community of St. Sabina, believe that these accusations are unfounded and we boldly stand behind the integrity, passion, work and ministry of our Sr. Pastor, Rev. Michael Pfleger. His ministry spans over 45 years and he has maintained his mission of Luke 4:18, “to proclaim the good news to the poor, proclaim freedom to the prisoners, sight to the blind, and set the oppressed free”, reaching thousands of citizens in the city of Chicago and worldwide.

St. Sabina’s Cabinet is committed to the continuation of outreach to the community and the works that he has built as the foundation of this Faith Community. We will fight to maintain the strong spiritual structure of the Faith Community of St. Sabina that has been the cornerstone of our community under his leadership over the years.

We understand there is a process & protocol of the Archdiocese of Chicago and we will fully cooperate. However, we believe that our Sr. Pastor will be fully exonerated from all accusations and we will stand with him during this process as he had stood with victims of injustice and will continue to uplift his work and the life, he has committed to serving others. We will fight for the legacy of work done by Rev. Michael Pfleger!

In Pursuit of Justice,

St. Sabina Cabinet
