COVID-19  
Crisis Response

Faith over Fear

The list of our family and friends who are affected by the virus is growing daily.  
We respond with fervent prayer and extreme faith!

**STEP 1** - Gather the names of family members and friends who have been / are being affected by the virus.

**STEP 2** - Submit those names for inclusion in our prayer outreach. Include a phone number if they would like to receive an encouraging call. Submit via:

- Email to Minister Lymore - ministerlymore@ameritech.net
- Call to Anthony Lovelace in the church office - (773) 483-4300
- Text message to Beverly Morris - (773) 231-7840
- or drop off at the church office, during regular business hours (M-F 8AM to 4PM)

**STEP 3** - Names will be placed in a large Vessel that will be located on the Church Altar.

**STEP 4** - At Noon Prayer time: Church intercessors and prayer warriors will lift up a special pray for the names that have been collected in the Vessel.

**STEP 5** - The Living Waters Iron Sharpening Iron Team and other St. Sabina Members will make encouraging calls to those for whom phone numbers were submitted.

Also look for the **Printable Doorknob Hanger** on our online outlets:  
[www.saintsabina.org](http://www.saintsabina.org) & Facebook. Print it, cut it out and hang it on the door knob(s) on/in your home as a reminder of the **POWER** of the **BLOOD** of **JESUS!**
